

A person is shown from the chest up, wearing a striped shirt, holding a smartphone in their right hand and typing on a laptop keyboard with their left hand. The background is a blurred office setting. Overlaid on the image are various digital graphics: a circular icon with an envelope, a bar chart, two circular progress indicators labeled '70%' and '80%', and several arrows pointing in different directions. The text 'Tec wins global award for quality of support for its audiences' is centered in white, bold font across the middle of the image.
