

An architectural rendering of a modern building complex at dusk. The central focus is a multi-story building with a prominent cantilevered upper section. The building's facade is a mix of dark panels and large glass windows, some of which are illuminated from within, casting a warm glow. To the left and right are taller, more uniform buildings. The sky is a deep blue with some light clouds. In the foreground, there are silhouettes of trees and a street with some small figures of people and cars, suggesting an urban setting.
